JESSICA GLADSTONE
540-622-7132 | jcg321@comcast.net | Github: Jcg408| Blog: www.gladstonetec.com

Full stack web developer with a passion for education and creative collaboration. With experience in Ruby on Rails, JavaScript, and React and a background in the performing arts, I discovered web development through my experience producing graphic projects. I bring strong skills in team-building and project management that help teams of all sizes to work efficiently towards a common goal.

TECHNICAL PROJECTS

My Collection - https://github.com/Jcg408/My-Collection | Demo https://drive.google.com/open?id=1CFp5kw1itFlatf0rbbgWZEZnCrcGwv9a
